Real Journeys

Les & Olive, company founders

.....
We're proud that 2014 marks Real Journeys 60th year of tourism operations in Southern New Zealand.
.....

Our founders Les and Olive Hutchins started out in Fiordland walking people into Doubtful Sound in 1954. Today the family link remains and our operations span from Stewart Island, into Doubtful and Milford Sounds and through to Queenstown.

It is our modern day vision to give every traveller to New Zealand a Real Journeys experience. A Real Journeys experience is something we define as a remarkable experience, something only we can deliver.

In keeping with this is our rich environmental ethos and appreciation for the special regions we work in. It really is a privilege to share our backyard with visitors and

it's just as important that we look after and preserve these environments. Real Journeys has been active in this space since our company's inception. Our founders were considered pioneers in the original environmental movement in New Zealand.

Nowadays we remain ever mindful and partake in a number of localised conservation initiatives.

In keeping with this we use the latest technology on our planes, vessels and coaches to minimise emissions, wake and noise pollution.

.....
The quality of our plant and day-to-day operational practises ensure we can offer visitors the best experience possible while minimising our impact on the environment.

Luxury glass roofed coaches

Getting to Milford Sound

By Coach

The overland route to Milford Sound is one of the finest alpine drives in the world.

Our luxury coaches have been purpose-built for travelling the Milford Road, incorporating the latest technology for your comfort and safety. The seats are tiered and angled towards the windows to maximise your views, and the expansive glass roof provides breathtaking sights of the snow-capped peaks.

All of our drivers have been selected based on their experience and knowledge. There's plenty of time for photo stops and short walks along the way.

- Coaches depart daily from our visitor centres
- Courtesy pick-ups from most accommodation

By Plane

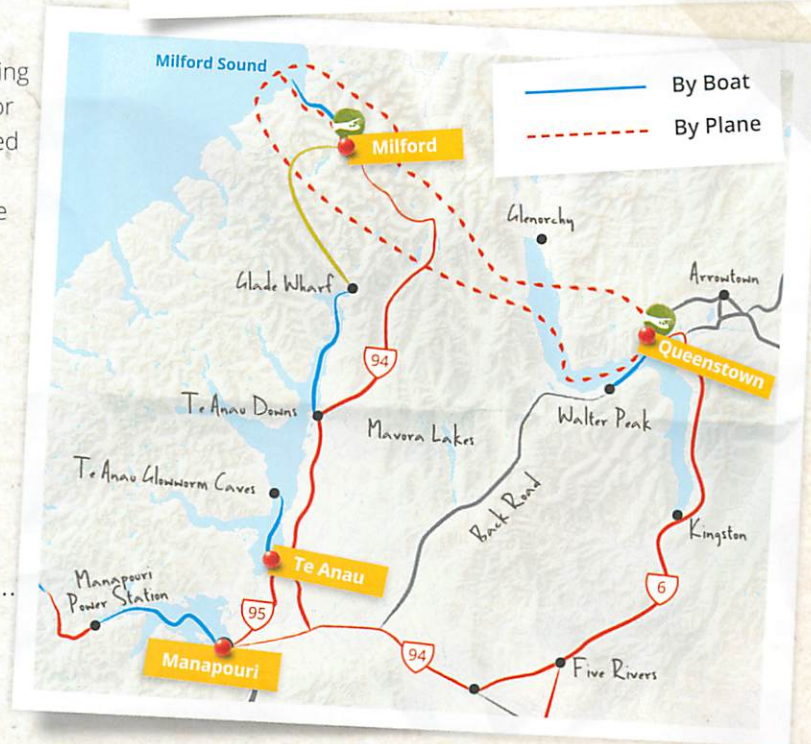

Flying between Queenstown and Milford Sound is the ultimate way to experience southern New Zealand's dramatic alpine scenery. A hidden landscape unfolds below, revealing glacial lakes, waterfalls, dark valleys and cloud-piercing summits.

Our pilots are specially trained for flying in Fiordland and Mount Aspiring National Parks and our quality aircraft are selected based on suitability for the region's conditions.

You can fly return from Queenstown or one way after coaching into Milford Sound. A flyover option is also available.

- Flights depart daily (weather permitting)
- Courtesy pick-ups from most accommodation
- Free shuttle bus between Milford airport and the harbour
- Free picnic lunch with all Flight and Cruise packages or a snack box on 8am departure

When you travel with Real Journeys, our luxury coaches and aircraft link directly with your cruise – ensuring hassle-free connections and a quality experience throughout your trip.

Te Anau Glowworm Caves

 **2hrs 15mins**
Tour Duration

Described by the Sydney Morning Herald as “one of the most unusual limestone cave experiences on the planet”, the Te Anau Glowworm Caves are a must-see for anyone visiting Fiordland.

This underground world is astonishingly beautiful. By geological standards the caves are very young, only 12,000 years old. They are still being carved out by the force of the river that flows through them. The result is a twisting network of limestone passages filled with sculpted rock, whirlpools and a roaring underground waterfall.

Start with a scenic cruise across spectacular Lake Te Anau on board our modern catamaran Luminosa. Get off on the lake’s western shores then our specialist Nature Guides will take you through the caves in small groups by path and a small boat.

Deep inside the caves, beyond the rumble of the water, thousands of glowworms inhabit a silent hidden grotto. In the subterranean darkness, they produce a glittering display that is nothing short of extraordinary.

- Regular daily departures
- Scenic cruise across Lake Te Anau included
- Specialist Nature Guides

Doubtful Sound Wilderness Cruises

Fur Seals

From **7 hrs 45 mins**
Tour Duration

Doubtful Sound, at the heart of Fiordland National Park, is a beautiful fiord. Three times longer than Milford Sound and with twisting arms, it has a surface area ten times larger.

This fiord is home to bottlenose dolphins and fur seals - both of which are often seen. In season, you may also catch a glimpse of the rare Fiordland crested and little blue penguins. Explore the many hidden arms and islands of this stunning fiord. A highlight is experiencing the sound of silence.

What's included

- A cruise across crystal clear Lake Manapouri to West Arm
- A coach trip over Wilmot Pass through rainforest
- Three hour Doubtful Sound cruise on board our luxury Catamaran, Patea Explorer
- Specialist Nature Guides provide fascinating commentary

Doubtful Sound Overnight Cruises

2 days / 1 night
Tour Duration

Explore one of New Zealand's most remote and beautiful wilderness areas on an overnight cruise.

Doubtful Sound rewards those who linger. The fiord is known for its wildlife. Fur seals and bottlenose dolphins inhabit the deep, dark waters and, in season, penguins nest along the rugged shores. The peace and tranquility is magical - broken only by birdsong or the rush of distant waterfalls.

Our overnight vessel Fiordland Navigator is purpose built for cruising Doubtful Sound. Designed along the lines of a traditional trading scow, it combines the character of a bygone era with all the modern comforts.

Cruise the fiord, weaving through hidden coves and mystical waterways. Then, as evening draws near, we'll drop anchor at a sheltered mooring, enabling you to explore the shoreline by kayak or small boat with our Nature Guides. For the more adventurous, there's even a chance to go swimming.

In the evening, relax in the saloon and enjoy a delicious meal prepared by our on board chef.

Conservation In Action

Real Journeys has been nationally recognised for conservation efforts and is a past winner of the New Zealand Tourism Industry "Conservation in Action Award."

We work closely with the Department of Conservation on environmental projects. Current sponsorship efforts include protecting whio (blue ducks) near Milford Sound and the Kakapo Recovery Programme. Our staff are also actively involved in pest trapping in Milford Sound and Stewart Island to reduce predation of native birds.

Every year, our passengers contribute over \$50,000 to the Leslie Hutchins Conservation Foundation via a levy on our Doubtful Sound operations. Projects funded by this foundation include educational trips for local children, stoat-control programmes and native bird transfers.

Real Journeys is committed to operating in an environmentally sustainable way and we are actively working to reduce emissions and minimise our carbon footprint. Efforts to improve are ongoing - if you have any suggestions we welcome your feedback.

Discovery Cruises Multi-day

A multi-day Discovery Cruise takes you on an exploration of Fiordland or Stewart Island, delving into the rich natural and human histories of the regions. You get to reach out and touch the stunning landscapes with opportunities to disembark and explore relics of settlements long past.

All Discovery Cruises have on board specialist Nature Guides, who are experts on Southern New Zealand, providing an informative commentary, spotting wildlife and taking guided walks and activities.

Passenger numbers are limited to 32 creating a friendly and relaxed atmosphere on board the purpose built Milford Wanderer. With sumptuous meals, and an attentive crew all your needs are looked after against an awe-inspiring backdrop.

Discovery Cruises attract people of all ages. An average level of fitness is recommended along with a love of the outdoors and a sense of adventure.

Dusky Sound

FIVE DAY CRUISES with helicopter transfer options

With more than 350 islands Dusky and Breaksea Sounds offer many idyllic spots for mooring, kayaking and trips ashore. This cruise will also take you to Doubtful Sound, well known for its wildlife, including fur seals and a resident pod of bottlenose dolphins.

Preservation Inlet

SEVEN DAY CRUISES with helicopter transfer options

Preservation and Chalky Inlets are New Zealand's southernmost and seldom visited fiords. The wind swept coastlines and broad beaches allow excellent opportunities for landing and exploration. These cruises encompass the highlights of the Dusky Sound trip and can include Breaksea and Doubtful Sounds.

Milford Wanderer

- › Sleeps 32
- › Warm, comfortable cabins (twin share / double)
- › Duvets, sheets and towels provided
- › Modern bathroom facilities with hot showers
- › Cosy dining saloon
- › Hearty meals prepared by our on board chef
- › Specialist Nature Guides
- › Kayaks and small boats available
- › Open bridge policy

Stewart Island

SIX DAY CRUISES

New Zealand's third and southernmost island is a wonderful destination for people who value nature and wild places. Most of Stewart Island is part of the Rakiura National Park with settlement mainly confined to Oban, the only township. The island's densely forested hills, tiny population and untouched coastline of rocky outcrops and creamy golden sand beaches make it a natural refuge for marine and bird life and an ideal destination to explore by boat.

Your journey starts with a cruise across Foveaux Strait from Bluff to Stewart Island's eastern shoreline. There, you'll board the Milford Wanderer, and spend the next several days cruising some of the most magical waters in New Zealand, venturing ashore regularly for guided walks - including the renowned Ulva Island bird sanctuary - and visits to historic sites such as the old Norwegian Whaling station at Prices Inlet.

ONBOARD CAFÉ

THE BEST WAY TO SEE LAKE WAKATIPU

TRIP DURATION
1hr 30mins

LAKE CRUISES

A trip on the TSS Earnslaw vintage steamship is one of Queenstown's most iconic experiences.

Cruising on the 'Lady of the Lake' as she is affectionately known offers a trip back in time as well as a stunning vantage point for some of the world's most spectacular scenery. Some would say it's the best way to see Lake Wakatipu!

This leisurely 90 minute return cruise across Lake Wakatipu showcases some of Queenstown's spectacular alpine scenery whilst offering you plenty of time to explore a piece of living history.

Launched in 1912, the TSS Earnslaw is the largest and grandest vessel ever to ply Lake Wakatipu. Today, she is believed to be the oldest working coal-fired steamship in the southern hemisphere.

Kids and big kids alike can explore her decks from the engine room viewing platform to the Captain's wheelhouse. Feel the heat of the giant steam engines at work as you watch the stokers shovel coal into the glowing fireboxes, or if you're lucky pop upstairs and sneak a chat with the Captain.

On the lower deck discover a mini museum, the Fo'c'sle gallery. Where you can view a collection of historic photos which offer a glimpse into the vessel's colourful past. Or if you'd much rather kick back and relax, enjoy a drink or some café-style food at the Promenade Café and Bar. On the return journey a sing-along with the pianist is a guaranteed bit of fun!

Stewart Island Experience

Located at the southern tip of New Zealand, just a one hour ferry ride from Bluff, is New Zealand's ultimate eco-tourism destination - Stewart Island.

Most of the Island's lush forests, rocky coastline and creamy golden sand beaches are protected within Rakiura National Park, creating a natural refuge for marine and bird life.

Visit the Island for a day, or take time to explore during a more extended stay. There's plenty to do. Relax and enjoy the coastal scenery or explore on an independent or guided basis. The Island has many walking tracks; it's a walker's paradise.

Stewart Island's small township Oban offers everything you'll need during your stay, including accommodation ranging from backpacker hostels to lodges. At the local restaurants be sure to try the fresh seafood - crayfish, blue cod and Stewart Island oysters.

Ferry Services

You'll zip across Foveaux Strait between Bluff and Stewart Island aboard our comfortable catamarans. During your trip, keep an eye out along the way for wildlife - particularly seabirds such as the Mollymawk and Titi. Our friendly staff provide informative commentary and point out highlights.

- All-year daily scheduled ferry service
- Complimentary tea and coffee served on board

Daily coach transport available from Invercargill and in the summer, from Te Anau or Queenstown

Paterson Inlet Cruises

Enjoy a leisurely cruise of beautiful Paterson Inlet and a guided walk in Ulva Island Wildlife Sanctuary.

This cruise showcases some stunning scenery, hidden coves and unspoilt beaches. Your guide is passionate about this area, provides informative commentary and is more than happy to answer questions. While on board, keep a look out for fur seals and penguins - we see a lot of them around.

At Ulva Island enjoy a guided walk. The island is home to weka (native woodhen), bush robins, rare saddlebacks and yellowheads amongst other species. It is also a protected habitat for some of New Zealand's rarest plant species.

- Cruise on a modern, comfortable catamaran
- 45 minute guided bush walk included
- Local Nature Guide provides interesting commentary
- Delicious picnic lunches available (please order prior to travel)

Queenstown Rafting

Shotover River / Kawarau River Rafting

Queenstown is the ideal place to meet the challenge of white water rafting with our expert guides.

Raft the spectacular Shotover River (grade 3-5 rapids) in historic Skippers Canyon and encounter adrenalin pumping white water action. Or raft the equally beautiful but more gentle Kawarau River (grade 2-3 rapids). This includes some great rapids plus drifting under the bungy bridge and through Gibbston Valley.

- Queenstown coach transfers
- Comprehensive safety and paddling techniques briefing
- Wetsuits, booties and safety equipment provided
- Professional photos available
- Sauna and hot shower included
- No previous rafting experience needed, although competence in water and moderate fitness required

Landsborough 3 Day Wilderness Experience

To experience the ultimate in wilderness rafting, choose our three day Landsborough River trip. Enjoy the remote outdoors in style with gourmet food and luxury camping as well as bush walking, canyoning and paddling through exciting rapids (grade 2-4 rapids) interspersed with meandering scenic river flats.

- Queenstown or Wanaka coach transfers
- Scenic flight into the Landsborough Valley
- Luxury camping accommodation (two nights) with all equipment, wine, beer and meals included
- Comprehensive safety and paddling techniques briefing
- Wetsuits, booties and safety equipment provided
- Senior rafting guides, safety kayaker and a comprehensive paddling & safety briefing included

Queenstown Rafting Combos

Optimise your time by combining rafting with an exciting jetboat trip and / or scenic helicopter flight. To find out more about these options contact us.

Black Cat Cruises Akaroa

World's smallest and rarest dolphin species

Akaroa Harbour Nature Cruises

Depart the charming historic French township of Akaroa (just 90 minutes from Christchurch) aboard our catamaran, Black Cat. Cruising the scenic splendour of Akaroa Harbour, enjoy the skipper's commentary as you discover rare New Zealand Hector's dolphins, fur seals, penguins and other sea birds. Visit the volcanic formation of Cathedral Cave, see relics of the area's Maori and colonial past and a working salmon farm. Cruises (two hours duration) depart daily all year round from the Main Wharf, Akaroa.

Swimming with Dolphins

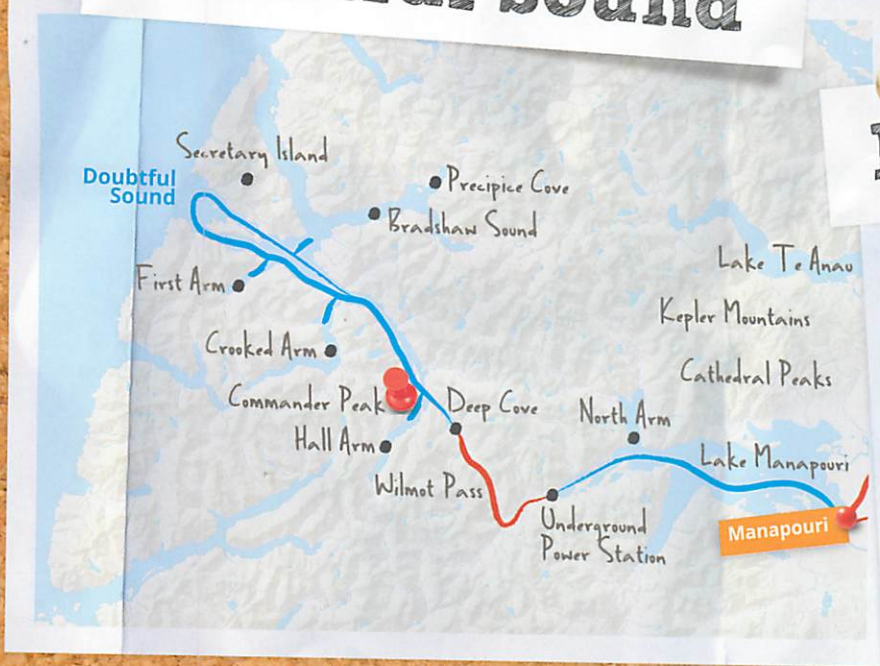

Akaroa Harbour is the only place in the world where you can get up close and personal with Hector's dolphins. Swimming with the world's rarest and smallest dolphins is an unforgettable experience. We provide everything you will need - including wetsuits, masks, snorkels, hot showers and a hot chocolate. You can also choose to simply watch the dolphins up close, along with other marine wildlife, from aboard one of Black Cat Cruises vessels. Departures Sep - May (three hours duration) from the Main Wharf, Akaroa.
